

Management Brief.

The league structure debate continues. The position of the club after over an hours debate is as follows.

The first XV shall concentrate on securing promotion out of the Cumbria League...As this is attempted the club will apply for Millom 'A' to join the Cumbria. If the first XV are *not* successful then plan B is to apply, in April for the 2nd XV to join the Miller Homes leagues.

Players with any concerns or do not fully understand the implications of the decisions made, talk to either Ryan, Chris or Jason
