#### Whitehaven away—beaten 9-26...no feedback about the game

.Millom got back to winning ways last Saturday with a comfortable win against Wigton Wanderers.  
 Playing against a strong wind in the first half the Millom forwards gave the Wigton pack a torrid time at the breakdown and in the set plays. This gave them the platform to score five first half tries through Ian Cummings, James Wilson, Ashley Lamont and Peter Redhead got two, Danny Redhead converting one. A further three tries were converted in the second half by Cummings, Kyle Pepper and Peter Redhead completing his hat trick. But with twenty minutes to go a serious head injury to one of the Wigton forwards resulted in the game being abandoned.  
 The new coach Ryan Whelan was well pleased with the result and how well the team responded after last week's gloomy performance at Whitehaven. Peter Redhead took the man of the match award but was hard pressed by all the Millom forwards.

The Junior section have hosted one event so far this season, Furness brought 3 squads to Wilson Park and it was a good day for rugby. The Millom teams won the majority of their games. A great effort considering the squads had little opportunity to train because people were away during the school holidays. Only won one of the games at Cockermouth.
